

Request for Certificate of Free Sale

Depending on the nature of the product, a U.S. company must obtain a Certificate of Free Sale from the appropriate regulatory authority such as the USDA, EPA, or FDA. Virginia Economic Development Partnership (VEDP) issues Certificates of Free Sale only for products manufactured in Virginia. When a governing body should issue a Certificate of Free Sale, VEDP *will not* issue one. If you have questions about Certificates of Free Sale, please contact Anne Phillips at (804) 545-5759 or APhillips@YesVirginia.org.
