PERUMIN 2017 in Arequipa, Peru

September 18 - 22, 2017

PERUMIN 2017

Join Virginia's booth and exhibit your company's products and services at PERUMIN 2017 in Arequipa, Peru.

Virginia's booth serves as the ideal 'home base' while you walk the show to connect with new partners.

Enjoy the convenience of Virginia personnel in the booth to take messages and greet visitors while you network with relevant prospects.

WHY ATTEND?

PERUMIN is a biennial event held by the Peruvian Institute of Mining Engineers, a private nonprofit association that has, for the past 68 years, collaborated with both private and public organizations to create forums for dialogue.

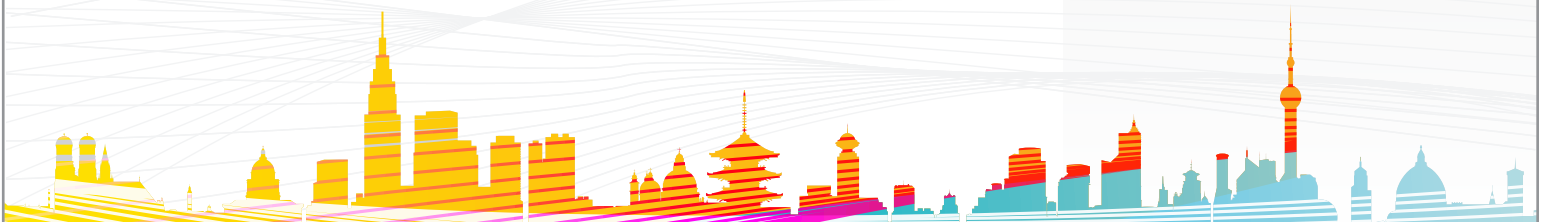

The event aims to strengthen the professional development of its participants through the dissemination of new knowledge resulting from research, innovation and application of technology in the mining operation, promoting good practice in the sector.

PERUMIN provides exhibitors and attendees with an opportunity to meet mining executives, specialized distributors, potential commercial partners, customers, and academic and scientific professionals.

CLIENT TESTIMONIALS

“This was an excellent opportunity to showcase our products. We interacted with customers from various parts of the world to gather their feedback and reactions. We sincerely appreciate VEDP’s efforts to make this show successful and productive for us.”

“Our company had a very successful [trade show]. We made many contacts that will facilitate our business development and growth in sales. We have been awarded a maintenance supply contract that should increase our export sales.”

“We gained six new potential partners and were requested to bid on opportunities with these partners in the weeks following the trade show. This represents several million dollars in potential sales.”
