

Opportunities in Australia

Australia's resilient economy, built on stable institutions and sound regulatory policies, is now in its 27th year of consecutive annual economic growth. The country provides a safe, low-risk environment in which to do business. Australia is among Virginia's top 20 export destinations globally. In 2017, exports from Virginia to Australia amounted to nearly \$245 million.

The top opportunities for Virginia exporters in Australia include:

- Aircraft and Parts
- Information Technology Services
- Medical Equipment
- Pleasure Craft
- Smart Grid

"The people we were able to meet with as a result of this trade mission were high level decision makers that typically take us a long time to reach. The research and insights gained on this trip will help us keep our competitive advantage!"

- Trade Mission to the United Kingdom

"This trip turned out to be an excellent opportunity to build relationships with five qualified Mexican companies that can and will support my business going forward."

- Trade Mission to Mexico

"The trade mission to Colombia was one of the best events we have attended. The meetings matched our search criteria, we were productive in our efforts to obtain new client contacts, and we gained new insight into our industry in Colombia."

- Trade Mission to Colombia

"I have visited Saudi Arabia before, but the success I had in this trip was above and beyond our expectations. We have a few opportunities that may result in business. We are now developing proposals and evaluating partnerships."
