Exhibitor Guidelines

Badges
Each company is allocated two badges.
VEDP will work with the show organizer to secure participants’ badges. You can pick up your badge on site. You will need your identification to collect your badge.

Each person must have a badge to enter the show.

Trade Show Booth Policy
By exhibiting in the Virginia booth, each company and its representatives agree to the following:

- Space and amenities within the Virginia booth, such as meeting tables and chairs, are shared among the co-exhibiting companies. Companies and individuals that are not co-exhibitors in the booth may not use these booth amenities, as they are reserved for the co-exhibiting companies.

- Each representative is expected to be respectful of other companies’ meetings, introductions, and/or networking that may take place in and around the booth. Interference with another company’s meetings, introductions, and/or networking efforts is not permitted.

Thank you for your compliance with these guidelines as we represent the Commonwealth of Virginia in a courteous and professional manner.

Shipping Disclaimer
Virginia Economic Development Partnership (VEDP) is not responsible for the shipment of product samples, promotional materials, displays, posters, banners, brochures, etc., to or from a trade mission or trade show. VEDP can make introductions to shipping companies upon request. VEDP recommends that these arrangements be made as early as possible so that product samples and/or promotional materials can arrive in time for your event.

Without VEDP, our company could never gain the exposure of having a physical presence at IDEX. The added exposure of having our name visible at the show is just one of the unbelievable values provided by the VEDP programs.
