How many badges does my company receive?

Each company is allocated two badges.

VEDP will work with the show organizer to secure participants' badges. You can pick up your badge on site. You will need your identification to collect your badge.

Each person must have a badge to enter the show.

How are airline and hotel reservations handled?

Airline tickets: You book (and pay for) your own airline ticket via local travel agent or online air travel website. The airport code for Heathrow London is LHR. If you do not have a travel agent, the Trade Show Leader can recommend one for you.

Hotels: VEDP is not coordinating a block of hotel rooms. Participants must make their own hotel arrangements. Each participant will be responsible for securing and covering the cost of your respective hotel room.

What are the entry requirements for the UK? Will I need a passport or visa?

A passport is required with six months validity remaining. U.S. citizens do not need a business visa for the UK for stays of up to six months.

Trade Show Booth Policy:

By exhibiting in the Virginia booth, each company and its representatives agree to the following:

- Space and amenities within the Virginia booth, such as meeting tables and chairs, are shared among the co-exhibiting companies. Companies and individuals that are not co-exhibitors in the booth may not use these booth amenities, as they are reserved for the co-exhibiting companies.
- Each representative is expected to be respectful of other companies' meetings, introductions, and/or networking that may take place in and around the booth. Interference with another company's meetings, introductions, and/or networking efforts is not permitted.

Thank you for your compliance with these guidelines as we represent the Commonwealth of Virginia in a courteous and professional manner.

The VEDP booth allows us to network and make new contacts in international markets. We also are able to spend time with our international distributors for training and meeting prospective customers. We would not be able to visit our distributors as frequently without the help of the VEDP.

We gained three solid leads for European opportunities at the show. The venue hosted by VEDP gave our company a prominent hub location throughout the trade show from which we were able to engage with future customers and vendors alike.
