

TRADE SHOW

# Paris Air Show 2025

June 16–22, 2025 | Paris, France

Registration Deadline | March 7, 2025

The Paris Air Show is the world's premier event dedicated to the aviation and space industry. Since its launch in 1909, Paris Air Show has constantly grown, and it remains the largest aerospace event in the world. The Paris Air Show provides a special opportunity to meet with all the key players in the aerospace industry, seize fresh commercial opportunities, present their expertise and innovations to the world, and form technological and industrial partnerships. Exhibiting at the International Paris Air Show means very simply participating in the most extraordinary event – and the most fascinating gathering – for the industry and all its players, manufacturers, and users.

“

This event allowed our company to participate/exhibit in a show that we would've otherwise not been able to. We are very grateful for the coordination and execution of a fabulous show from VEDP.
