

TRADE SHOW

Infosecurity Europe 2026

June 2–4, 2026 | London, United Kingdom

Registration Deadline | February 27, 2026

Exhibiting at Infosecurity Europe provides you with the opportunity to generate sales leads, build relationships with existing customers, and demonstrate thought leadership. Infosecurity Europe has established its reputation as the main meeting place and business platform for the entire information security industry. Infosecurity Europe is the sourcing and knowledge hub for Europe's information and cybersecurity community. Featuring an interactive exhibition floor with over 400 cutting-edge suppliers, a far-reaching conference program, and a host of networking opportunities, the event brings information and cybersecurity to life. The Infosecurity Europe conference program provides professionals with the insight they need to manage information and cyber risk to build resilience within complex organizations.

“

We learned valuable lessons in attending this event that we hope will translate to future successes in the region. We were able to conduct meetings with potential partners and government entities and this was helpful.
